

Nationality: Dutch

Age: 42

Status: Single

Field: Personal trainer

Tagline:
Life-lover who adores
people and gifts

Quote:
"Develop yourself and love
yourself"

Small overview

Until 10 years old he was living in Saint Martin, in an island of Caribbean Sea. He's a single child in a family, but he considers his friends as brothers. Growing up in an island with lots of nature and sun has made him a warm and open personality from the young age. The user is very liked by people, is social and intelligent, also, individualistic.

Gift giving

Gives gifts on occasions

Likes to give practical or meaningful presents

More often buys gifts for himself than for the others

Gift receiving

Likes surprises

Likes practical or hand-made gifts

The best is to feel that person was choosing a gift for a long time

Feels appreciated and special when receiving a gift

Sports- crossfit

Sports, crossfit

It's his lifestyle and working place. Spends every day in a gym and is very active person.

Art, drawing

He likes art and beauty. On a free time draws sketches for tattoos. Before he was working as illustrator, but he found this profession too lonely.

Socializing, self-development, psychology

He likes being surrounded by people, intelligent conversations, psychology. Listens to inspirational lectures of life coaches every day.

DREAMS & GOALS

To improve personality every day
To be beautiful, young & healthy

To release an app that helps
people to help themselves
